MIDWEST LIVESTOCK REVIEW

and

RANGE AND FEEDLOT SALES

Prices on slaughter steers and heifers declined at most midwest terminals. The downturns were influenced by lower dressed beef prices and the seasonal pre-Thanksgiving week shift in consumer demand to poultry. Most slaughter steers at Chicago sold 50¢-\$1.50 lower with bulk sales at other midwest centers 25-50¢ off. The week's hog receipts were among the largest of the year. Prices on barrows and gilts were steady to 25¢ lower for the week. Slaughter lambs sold steady at most centers.

SLAUGHTER CATTLE AND CALVES - Receipts of salable cattle at the 12 markets totaled 250,000 head or 20,000 less than in the previous week but 48,000 more than a year ago. The number of slaughter steers sold out of first hands at the 7 markets at 76,440 compares with 75,460 the previous week and 69,484 a year ago. Prices declined on slaughter steers and heifers at midwest markets with lower dressed beef prices influencing the downturns. At Chicago, slaughter steers sold 50¢-\$2.00 lower, mostly 50¢-\$1.50 off, with Prime steers over 1200# and Choice under 1050# showing the least decline. At other midwest terminals fed steers sold unevenly steady to \$1.00 lower, however, the bulk of the steer supply was 25-50¢ lower. Most decline was on Standard and Good steers. Slaughter heifers at Chicago closed 50¢-\$1.50 lower, with sales at other terminals steady to 50¢ lower, instances \$1.00 off. At most markets, slaughter cows were steady to 50¢ higher, instances \$1.00 up, however, sales were 50¢ lower at Omaha and Utility and Commercial cows at Chicago sold 50¢-\$1.50 lower. Bulls ranged from steady to \$1.50 lower; vealers steady to \$2.00 lower.

At Chicago 25 loads of high-Choice and Prime 1175-1390# slaughter steers brought \$28.25-28.50, load \$28.75; same grades 1500-1600# \$25.00-27.00; most Choice and Prime \$25.00-28.00; Good \$23.00-24.75 late. Choice steers at the other midwest terminals bulked at \$24.00-25.75; high-Choice and high-Choice and Prime \$25.75-27.50; Good and low-Choice \$22.00-24.25. At Chicago, high-Choice and Prime heifers sold at \$25.50-26.25; Good and Choice closed at \$22.00-25.00. Good and Choice heifers elsewhere realized \$21.00-24.50, some high-Choice and low-Prime up to \$25.50. Utility and Commercial cows sold at \$12.50-15.50; Canners and Cutters mainly \$10.00-13.50. At St. Louis National Stock Yards, Good and Choice vealers sold at \$25.00-30.00, Prime to \$32.00 late. At So. St. Paul, Good and Choice vealers brought \$23.00-27.00, high-Choice and Prime \$28.00-30.00.

STOCKER AND FEEDER CATTLE AND CALVES -

The movement of stocker and feeder steers throughout major producing states continued to taper off seasonally but supplies were ample for a rather dull trade. Shipments of stocker and feeder steers from the 10 markets at 34,146 compared to 39,503 the week previous and 26,051 a year ago. Outgo of calves from these markets totaled 37,482 compared to 34,642 and 26,474. Prices were lower on all stocker and feeder classes and the average price of stocker and feeder steers at the 10 markets at \$23.65 was \$3.33 below a year ago and the lowest since February 1958. The week's downturn was influenced by further declines on slaughter cattle. Price trends on stocker and feeder steers and heifers were steady to \$1.00 lower with stock calves weak to \$1.50 off, and stock cows weak to \$1.00 lower.

Good and Choice 800-1000# feeder steers sold at \$20.50-23.50, liberal share \$21.00-22.50, few loads Choice, including partly fattened usually under 950# \$24.00-25.50, while occasional loads Good over 1000# sold down to \$19.75. Medium feeder steers brought \$17.50-21.00. Good and Choice 525-800# stocker and feeder steers sold from \$22.50-27.50, mostly \$23.50-26.00, load Choice and Fancy 580# weights at Kansas City \$27.60; Medium and Good stockers \$19.00-25.00, few lots Common \$16.00-17.50. Good and Choice yearling heifers brought \$20.00-24.50, Common and Medium \$14.00-19.00. Good and Choice stock steer calves brought \$22.00-30.00, few lots Choice at Omaha and Sioux City \$32.00-34.50. Load Choice 312# stock steer calves at Denver Friday cashed at \$35.50 with bulk Good and Choice steer calves \$28.00-34.00. At Kansas City Friday bulk Good and low-Choice steer calves ranged from \$23.00-27.00. HOGS - Combined receipts in the Interior Iowa-So. Minnesota area and at the 12 markets were the largest in three years except for the first week in November this year. The bulk of the butcher supply was made up of mixed No. 1, 2 and 3, 200-250# consignments. Sows comprised from 9-14 percent of the supplies at the various markets and made up almost 9 percent of the Interior run.

Price changes were moderate on a daily basis. However, there was generally a weakening tendency as declining pork prices at wholesale centers and slow movement of the product, influenced by the seasonal poultry

competition, proved bearish in the live market. Compared with Friday of the previous week, closing sales were largely steady to 25¢ lower. Butchers weighing over 230# were under the most price pressure. Most butchers sold in mixed No. 1-3 lots and limited sorting was confined mainly to weight uniformity. Sows sold from 50¢ lower to 25¢ higher with a large portion steady to 25¢ lower.

Closing sales Friday at the public markets on mixed U. S. No. 1-3 butchers 190-240#, including a few 180-190# at eastern points and a few 240-260# lots at other markets, were made at \$12.00-13.00, liberal share \$12.25-12.75, and some up to \$13.25 in the eastern Corn Belt. No. 1 and 2 selected lots at Missouri River markets sold at \$12.75-13.25 and \$13.25-13.75 in the eastern part of the area. Direct sales in the Interior area on mixed No. 1-3, 200-240# butchers, including a few 190-200# lots, closed the period at \$11.50-12.50 with a limited volume of No. 1 and 2 selected lots \$12.40-12.75 and a few high-yielding, mostly No. 1, \$13.00-13.25.

Feeder pigs at Sioux City sold 25-50¢ lower and sales at So. St. Paul were weak to 50¢ off. Medium and Good 130-170# pigs at Sioux City sold at \$9.50-10.00, few \$10.25; Good and Choice feeders at So. St. Paul brought \$10.00-10.50. Sales were steady at Memphis with Good 120# pigs at \$10.50; Common and Medium 40-140# \$8.00-10.00.

SHEEP AND LAMBS - Receipts at the 12 markets were 28 percent below the previous week, but were 32 percent above a year ago. Prices on slaughter lambs were largely steady. However, sales were 50¢-\$1.00 higher at Chicago and strong to 50¢ up at St. Louis, but on the other hand prices were weak to 50¢ lower at Denver and \$1.00 off at Fort Worth. Slaughter ewes sold mostly steady; feeder lambs steady to \$1.00 lower at most points. Choice and a few Choice and Prime 85-112# woolled slaughter lambs sold at \$18.00-19.00; bulk Good and Choice 75-115# \$17.00-18.50; Utility and Good \$13.00-17.50. High-Good to mostly Choice 85-105# shorn slaughter lambs with No. 1 and fall shorn pelts sold from \$17.50-19.00, some mostly Choice 117# with No. 1 pelts \$17.00 at Sioux City. Most Good and Choice 80-105# with fall shorn, No. 1 and 2 pelts sold at \$17.00-18.00, some Good and Choice with No. 2 and 3 pelts \$17.00. Scattered lots Utility and Good slaughter yearlings sold from \$13.00-15.50, some Good and Choice to \$16.00 at Chicago. Cull to Choice woolled slaughter ewes sold from \$2.50-6.00, few Good \$7.00 at Fort Worth. BOSTON WOOL MARKET REVIEW

Sales of greasy domestic worsted wools in the Boston market were limited. Prices held about steady on all classes. In the woolen trade, scoured pulled wools and noils were slow but about steady. Activity in the domestic primary areas centered in Casper, Wyoming, Salt Lake City, Utah and in Texas late last week where sealed bid sales were held and a fair volume of original bag wools sold.

Cabled reports from Australia at mid-week indicated a strong trend with Iron Curtain countries and Japan active. Prices in New Zealand were very firm with good competition including Eastern Europe, Japan and the United States dominating and Bradford supporting moderately. Prices in South Africa remained firm under general competition with the U.S.A. participating. Trading in South America was very slow.

Territory Wools - Approximately 200,000 pounds of Wyoming wools were sold in original bags at grease prices ranging from 44-56¢ delivered Boston. Fine wools were priced generally from 46-52¢, while 3/8s and 1/4 blood wools ranged from 52-56¢ in the grease. Original bag grading wools sold in Salt Lake City at 46½¢ grease basis, delivered Boston.

Texas Wools - A good volume of original bag 12 months wools, bulk average to good French combing length sold in Texas at an estimated clean price around \$1.20-1.23, delivered Boston.

Mohair - Recent mohair purchases in Texas ranged from \$1.01½-1.06½ for adult and \$1.41½-1.71½ for kid hair to the warehouse. Most sales were for export to England and the Continent. A little contracting was done at 91½¢ for adult and \$1.16½ for kid hair for spring delivery.

Foreign Wools - Sales in Montevideo included super skirted 60s and 60/64s around \$1.02-1.03 in bond, while 56/58s and 58s sold around 99¢ clean fibers present, for shipment. Foreign quotations at week's end with combing wools converted to clean, U.S. oil-combed yields and short wools to scouring yields, in bond, follow:

Carpet Wools - Trading of spot carpet wools was slow. New Zealand fleeces were higher ranging from 83-86¢, while type 702/3 crutchings were priced at 76¢, clean fibers present for shipment. Offerings from Buenos Aires quoted November second clips at 78-81¢ and March wools at 76¢, clean fibers present for shipment. Dealers were asking 80-82¢ clean fibers present for spot Aleppo carpet wools.

WHOLESALE MEAT TRADE REVIEWS

NEW YORK - Non-locally dressed: Bulk of the week's fresh meat supply sold to independent retail and hotel and restaurant outlets as demand by chain store buyers was rather poor. Outlet was fair for Prime steer hindquarters along with Choice and Prime short loins and ribs. A fair demand also prevailed for lamb, veal and calf foresaddles and most pork. Outlet was narrow for Good and Choice steer hindquarters, arm chucks, veal and calf hindsaddles and cow beef carcasses. Supplies of railstocks and pork were moderate to normal, with the larger percentage of fresh meats on offer prior to Wednesday. Compared with Friday, the week previous: Prime steer carcass prices 50¢ higher, Good and Choice \$1.00 lower; cow beef and calf \$1.00 lower; veal \$2.00 off; lamb weak to \$1.50 lower, mainly \$1.00 off; pork loins \$3.00 lower; spareribs \$2.00 off; other pork cuts weak to \$1.00 lower.

Locally dressed: Production of railstocks and pork was below normal during the pre-holiday week. Prices for Prime steer hindquarters strong to \$1.00 higher, Choice 50¢ to mainly \$1.00 lower; Choice and Prime ribs \$1.00-2.00 higher; arm chucks \$1.00-2.00 lower. Quotations on veal hindsaddles were unchanged, however, bulk sales were in the lower half of price quotations. Calf hindsaddles sold \$2.00-4.00 lower; lamb carcasses \$1.00-2.00 off; pork loins \$3.00-4.00 lower. Demand was fair for Prime steer hindquarters, Choice and Prime ribs, short loins and pork, but poor for other fresh meats. Kosher retailers absorbed normal quantities of steer ribs, but trading was slow for other kosher steer beef wholesale cuts, lamb, veal and particularly calf kosher foresaddles.

CHICAGO - Steer beef carcasses 700# up and heifer over 600# comprised the bulk of normal supply in this division. Volume of other fresh meats was also normal. Rather broad outlet prevailed for beef ribs 30# and down but demand for more abundant heavier weights was rather poor. Early trading was fairly active for chucks and rounds but prices declined late in a slow trade. Beef loins were slow throughout. Carcass beef prices declined in a slow trade. Downturns on most primal beef cuts proved bearish in the carcass trade. Demand for veal was narrow. Trading for lamb was slow, best demand for stews and shoulders. Fresh pork trade slow on initial sessions, however, volume accounts rather aggressive loin buyers after Tuesday and early decline was recovered. Compared to the previous Friday: Steer and heifer beef 50¢-\$1.00 lower; cow beef \$1.00-1.50 lower; veal and lamb \$1.00-2.00 lower; pork loins 8-16# steady to \$1.00 higher; Boston butts 4-8#

steady to 50¢ lower; spareribs 3# down \$1.00-2.00 lower.

Choice and Prime squarecut beef chucks brought \$39.00-41.00; same grades of rounds \$52.00-54.50; Prime loins \$76.00-90.00, Choice \$63.00-75.00; Prime ribs \$56.00-60.00, Choice \$50.00-56.00; Choice and Prime kosher style chucks \$40.00-41.00. Lamb hindsaddles sold at \$52.00-56.00; legs \$51.00-55.00; loins \$52.00-57.00; ribs \$48.00-53.00; stews \$23.00-26.00; shoulders \$33.00-36.00.

PACIFIC COAST - Choice steer beef under 700# continued in rather limited supply while other steer and cow beef was liberal and clearance was incomplete. Calf and veal was in rather small supply; lamb a little above normal; most fresh and cured pork liberal except smoked skinned hams moderate at Los Angeles and Portland. Trading the first part of the week was fairly active. However, later in the week demand was curtailed and trading at all points slow, this typical of a pre-Thanksgiving week. Prices compared with last week's close: Steer beef steady to \$1.00 lower; cow beef \$1.00-2.00 lower; calf and veal steady, except some sales \$1.00 lower at San Francisco; lamb \$1.00-2.00 lower; fresh pork loins \$1.00-4.00 lower; other fresh pork steady to \$2.00 lower except spareribs \$1.00-3.00 lower; smoked skinned hams generally \$1.00-3.00 higher except \$1.00-2.00 lower at San Francisco; sliced bacon steady to \$2.00 lower; lard steady.

Choice steer beef under 650# brought mostly \$41.50-46.00, some sales reaching \$47.00 at Seattle, 650-700# \$41.00-45.00, 700-800# \$39.00-45.00; Good steer under 700# \$38.00-44.00.

SHIPS SAILINGS WITH MEAT FOR U. S. - The Agricultural Attache in Australia reported the following ships sailings for the United States with frozen beef: The Orcades sailed October 27 with 123,200# for San Francisco and 53,760# for Los Angeles; Pioneer Surf, October 31 with 647,360# for New York, 98,560# for Boston and 47,040# for Chicago; City of Birkenhead, October 31 with 1,061,760# for New York and 134,400# for Philadelphia.

Note: Cities listed indicate locations of purchasers and in some instances meat may be diverted for sale to other areas.

CARLOT MEAT REPORT - Declines on dressed beef and lamb during the week and the seasonal pre-Thanksgiving week shift in demand to poultry items were factors influencing a slow trade. Compared with the previous week, steer beef sold 50¢-\$1.50 lower, mostly \$1.00 off; heifer beef 50¢-\$1.00 lower. Lamb carcasses closed \$1.00-2.00 off.
